

St Luke today ...

Today, St Luke comprises various nationalities, and worships in the Catholic Tradition. We also have a mission-church in Fujairah, dedicated to St Nicholas.

Ministry ...

Numerous people have come forward and expressed a desire to coordinate specific ministries such as: music, junior church, and the foodbank. Hopefully this will grow into a fruitful ministry team.

Fellowship ...

We try to take advantage of the cooler winter-months with various fellowship opportunities such as: BBQ's and parish outings.

Administration ...

The parish admin team, fulfilling the same function as a traditional parish-council, has the responsibility of making executive decisions pertaining to maintenance, finance, administration, staffing, and overall governance.

Our Mission & Vision ...

Through our life, work, and witness, we strive to bear the light of Christ through Word and Sacrament.

Most important ... all are welcome to worship in this Church, and we look forward to welcoming you!
